**SUPPLEMENTAL DECLARATION OF
ERIC NORDSKOG REGARDING
SETTLEMENT NOTICE AND
ADMINISTRATION**

Judge Stuart M. Rice

Date of Hearing: December 20, 2023

Time: 10:30 a.m.

Dept: SSC-1

Action Filed: August 15, 2017

1 I, ERIC NORDSKOG, declare as follows:

2 1. I am a Client Services Director with A.B. Data, Ltd. (“A.B. Data”).¹ The following
3 statements are based on my personal knowledge and information provided by other A.B. Data
4 employees working under my supervision, and if called on to do so, I could and would testify
5 competently thereto.

6 2. Pursuant to the Court’s Order Preliminarily Approving Settlement and Providing for
7 Notice dated June 12, 2023 (the “Preliminary Approval Order”), A.B. Data was authorized to act as the
8 Claims Administrator in connection with the Settlement of the above-captioned action (the “Action”).

9 3. Class Counsel previously filed with the Court my Declaration Regarding Settlement
10 Notice and Administration, dated November 15, 2023 (the “Initial Administration Declaration”).² This
11 additional Declaration is being filed to provide an update on the implementation of the Notice Plan and
12 the administration of the Settlement.

13 **CLAIM SUMMARY**

14 4. As more fully explained in my Initial Administration Declaration, Settlement Class
15 Members who have an active account for sewer service with the Los Angeles Department of Water and
16 Power (“LADWP”) (“Current Customer Class Members”) do not have to take any action to qualify for
17 a payment. Payments for Current Customer Class Members will be made payable to the account holder’s
18 name as listed in the LADWP’s records.

19 5. Settlement Class Members with inactive accounts with the LADWP (“Former Customer
20 Class Members”) were required to submit a Claim Form to receive a cash payment from the Settlement.
21 The Claim Form was to be submitted either online at the Settlement Website
22 (www.LASewerChargeSettlement.com) or by obtaining a hard copy of the Claim Form and submitting
23

24 ¹ All capitalized terms that are not otherwise defined herein shall have the meanings ascribed to them in
25 the First Amended Stipulation and Agreement of Settlement, dated May 30, 2023 (“First Amended
26 Stipulation”), attached as Exhibit 1 to the Supplemental Declaration of Jonathan M. Rotter in Support
27 of Plaintiffs’ Unopposed Motion for Preliminary Approval of Class Action Settlement, filed on May 30,
28 2023.

² The Initial Administration Declaration is Exhibit 1 to the Declaration of Jonathan M. Rotter, which
was filed with the Court on November 15, 2023.

1 the Claim to A.B. Data by mail. Hard copies of the Claim Form were available for download on the
2 Settlement Website or were mailed directly to the Settlement Class Member upon request.

3 6. The Preliminary Approval Order set a claim filing deadline of September 24, 2023.
4 Nevertheless, at the request of Plaintiffs' Counsel, A.B. Data has processed all Claims submitted through
5 December 1, 2023, which equates to a nine-week extension of the claims filing deadline. A.B. Data
6 believes no delay has resulted from the acceptance of these late Claims.

7 7. A.B. Data received a total of 9,790 Claims. A.B. Data has completed the validation
8 process of these Claims, which included confirming that each Claim was submitted by a Former
9 Customer Class Member, and that the account information provided by the Claimant matches the
10 LADWP's records. For those Claims where the Claim data did not match the data previously provided
11 to A.B. Data by the LADWP, A.B. Data provided reports to the LADWP containing the identification
12 data submitted with each Claim (the service address, account number (if provided), and the last 4 digits
13 of the Claimant's Social Security Number/Tax Identification Number and/or state issued identification
14 number/driver's license number). Where the LADWP was unable to validate the Claimant's
15 identification within the LADWP's records, A.B. Data mailed a notice of deficiency to the Claimant. If
16 the Claimant failed to correct the deficiency conditions identified, the Claim was recommended for
17 rejection. A sample deficiency letter is attached hereto as Exhibit A.

18 8. In addition to the review conducted in conjunction with the LADWP, A.B. Data also
19 engaged its Quality Assurance team in this case to ensure that Claims were accepted or rejected pursuant
20 to the terms of the Settlement and any claims administration procedures. The team evaluated the
21 accuracy of A.B. Data's work to match Claims to information provided by the LADWP, performed a
22 de-duplication review, and confirmed the final categorization of the Claims as accepted or rejected.

23 9. A total of 8,999 Former Customer Class Member Claims were determined by A.B. Data
24 to be valid. The claimant identification numbers associated with these Claims, along with the gross
25 award amount for each Claim (before the addition of interest, and deductions are made for attorney fees,
26 litigation and administration expenses, service awards, and any tax liability associated with the fund),
27 are listed in Exhibit B.

1 the total Recognized Claims of all Authorized Claimants, multiplied by the total amount in the Net
2 Settlement Fund. If any Authorized Claimant's Distribution Amount calculates to less than \$10.00, it
3 will not be included in the calculation and no distribution will be made to such Authorized Claimant.
4 Any Distribution Amounts of less than \$10.00 will be included in the pool distributed to those Settlement
5 Class Members whose Distribution Amounts are \$10.00 or greater.

6 14. Prior to the application of the *de minimis* threshold, the *average* gross award, before the
7 addition of interest, and deductions are made for attorney fees, litigation and administration expenses,
8 service awards, and any tax liability associated with the fund, is approximately \$107.16. The largest
9 gross award is \$20,839.87.

10 **UPDATE ON THE SETTLEMENT WEBSITE**

11 15. On July 26, 2023, A.B. Data established the Settlement Website, which is available in
12 both English and Spanish. A.B. Data continues to maintain the Settlement Website, which informs
13 Settlement Class Members about the Action and Settlement, hosts copies of relevant case documents
14 and provides answers to frequently asked questions. As of the date of this Declaration, the Settlement
15 Website has tracked 39,494, unique visitors and 141,959 page views.

16 16. On November 16, 2023, at the request of Class Counsel, A.B. Data posted to the
17 Settlement Website downloadable copies of the documents Class Counsel filed in conjunction with: (a)
18 Plaintiffs' Unopposed Motion for Final Approval of Class Action Settlement; and (b) Plaintiffs'
19 Counsel's Motion for an Award of Attorneys' Fees, Reimbursement of Litigation Expenses and Class
20 Representative Service Awards. The documents posted included the Notices of Motion, the Memoranda
21 of Points and Authorities, and the Declaration of Jonathan M. Rotter in Support of the Motions, including
22 the exhibits thereto. *See* <https://www.lasewerchargesettlement.com/Home/CourtDocs>.

23 **UPDATE ON THE TOLL-FREE NUMBER**

24 17. On July 26, 2023, A.B. Data launched a dedicated toll-free telephone number for
25 Settlement Class Members to call for information related to the Settlement. A.B. Data continues to
26 maintain the line, which provides information about the Settlement in English and Spanish and is
27 available 24 hours a day, seven (7) days a week. Settlement Class Members also have the ability to
28

1 leave a voicemail for the Claims Administrator, and a contact center agent responds to common
2 questions and provides assistance. As of the date of this Declaration, A.B. Data has received 8,403 total
3 calls and 1,723 voicemails. A.B. Data has promptly responded to all phone calls and requests for
4 information and/or documents.

5 **UPDATE ON REQUESTS FOR EXCLUSION**

6 18. The Postcard Notice, Email Notice, Notice and Settlement Website informed Settlement
7 Class Members that in order to request exclusion from the Settlement, a Settlement Class Member must
8 submit an exclusion request by November 29, 2023, to the Claims Administrator. As stated in the Initial
9 Administration Declaration, A.B. Data had received three (3) requests for exclusion. Since the Initial
10 Administration Declaration was executed, one (1) additional exclusion request was submitted. A list of
11 the four (4) individuals who submitted an exclusion request is attached hereto as Exhibit E, together
12 with a redacted copy of each request.

13 **UPDATE ON OBJECTIONS RECEIVED**

14 19. The Postcard Notice, Email Notice, Notice and Settlement Website also informed
15 Settlement Class Members that the deadline to object to the Settlement is November 29, 2023. As
16 detailed in the Initial Administration Declaration, A.B. Data had received (1) objection to the Settlement.
17 No additional objections have been received since the execution of the Initial Administration
18 Declaration.

19 **ADMINISTRATION COSTS**

20 20. As of the date of this Declaration, A.B. Data has billed a total of \$427,761.93 for this
21 matter. The administration costs reflect the work A.B. Data has performed in connection with settlement
22 administration to date, which includes, among other things: administering the Notice Plan (including the
23 costs of printing and mailing the Postcard Notice and obtaining updated addresses); implementing and
24 maintaining a dedicated toll-free number and email inbox for Settlement Class Member
25 communications; designing and maintaining a dual-language Settlement Website with online claim
26 filing capabilities; forwarding copies of the Notice and Claim Form upon request; and time spent
27 overseeing and managing the project, including responding to Settlement Class Members inquiries.
